THINK

**BUSINESS INSIGHT**

## El Bulli: Where Next for the Best?

Three executives dish up their recipes for success to the chef who put the "ooo" in food. **66**

**EXPERT INSIGHT**

## Six Ways Marketing Can Change the World

*John A. Quelch & Katherine E. Jocz* admit marketing isn't perfect, but practiced effectively, they believe it can boost democracy. **58**

**EDITORIAL**

- 4** *Antonio Argandoña* invites readers to dive in and discover what's inside.

**MY INSIGHT**

First-person columns to get you thinking...

- 5** *Eduardo Martínez Abascal* draws some important lessons from the financial crisis.
- 6** *John L. Ward* shows how we can appreciate the paradoxes that vex us.

**EARLY INSIGHT**

- 7** Philanthrocapitalism, emotional ownership and other trends.

■ **The Benefits of Science Collaborations**

*Bruno Cassiman* examines the integral role university research can play in industry innovation. **36**

**PERSONAL INSIGHT**

- 45** **Interview with Peter Sutherland of BP & Goldman Sachs**

*Mike Rosenberg*, who teaches strategy at IESE, discusses protectionism, oil prices and the future of renewable energy with the Irishman credited with birthing the WTO and who has presided over a period of unprecedented transformation at BP.

**ON THE COVER DEEP INSIGHT**

In this executive dossier, our international experts present ways that working together can multiply your own best effort:

### Creating Winning Partnerships

■ **Forming Ties That Will Free Your Firm**

*Pinar Ozcan & Kathleen M. Eisenhardt* say that even small firms can create and manage their "dream team" of alliance partners. **13**

■ **Making the Power of Two Work for You**

*Thomas Vollmann & Carlos Córdón* suggest a structured process for selecting five key customers/suppliers to do business with, and then developing the future jointly, rather than always focusing on cost reduction. **21**

■ **Are You Ready for the Co-Creation Movement?**

*Venkat Ramaswamy* has seen the future, and successful companies will be those that adapt to the fast-emerging co-creation paradigm. **29**

**EXPERT INSIGHT**

- 50** **Green Keys to Unlock Competitive Advantage**

*Pascual Berrone* lifts the smog surrounding environmental innovation so that polluting companies can clean up their act in view of the Copenhagen summit in December 2009.

**WIDER INSIGHT**

- 71** **In Times of Trial**

Lessons from the courtroom applied to the boardroom, as jury consultant *Edward P. Schwartz* and IESE Prof. *Paddy Miller* state their case. You be the judge.

**LAST INSIGHT**

- 78** **Lessons from the Trenches**

*Frederic Sabrià* considers the reflections of military strategists when fighting for survival on the business battlefield.
