PERSONAL INSIGHT

"Risk is a good thing, provided you can ride the cycles out."

Paul Fribourg speaks about the challenges of being the sixth-generation CEO to run the family agribusiness, Continental Grain Company. 41

EXPERT INSIGHT

Benchmarking Globalization to Boost Business Connections

Pankaj Ghemawat and Steven A. Altman unpack the findings of their latest Global Connectedness Index, highlighting the implications for multinationals. 47

EDITORIAL

4 Antonio Argandoña is sure the principles in this magazine will serve you well, no matter where in the world you're doing business.

MY INSIGHT

- 5** Guido Stein says rather than bemoan the ineffectiveness of your employees, consider whether you have made any of these 10 mistakes during the hiring process.
- 6** Andrea Prat encourages executives to take a closer look at how they spend their time: it just might help them pull ahead.

EARLY INSIGHT

7 Which are the world's smartest cities; why some firms fail to innovate; factors influencing choice of subsidiary staffing; retail sell-through rates; more women needed on boards; predicting international sales; Spanish real estate bullish again.

DEEP INSIGHT

Africa: Avenues to Growth

Africa is streets ahead of where it was a decade ago. Use this dossier to navigate the complexities of the continent.

Five Pillars for Doing Business in Africa

Robert Mudida and Alejandro Lago present a road map for companies planning to enter African markets, based on the experiences of foreign entrepreneurs and executives who are living the realities of doing business there. 15

Strategies That Go the Distance in Africa

Africa Ariño shares the collective wisdom of African business leaders on the do's and don'ts of internationalizing in Africa, where any business strategy must have socioeconomic transformation at its core. 24

What Kind of Leader Will Thrive in Africa?

Franca Ovadje describes the appropriate leadership qualities needed to succeed in sub-Saharan Africa, and reflects on whether these hold true for the Millennial generation. 32

EXPERT INSIGHT

54 Why All Companies Need a Data Experience Designer

Abby Margolis and Evgeny Kaganer define the core elements of a new design mind-set that companies must adopt as they create new data-rich products and services.

BUSINESS INSIGHT

62 Spotify: Time to Face the Music?

Executives propose how the streaming music service may need to change its tune to find new streams - not of music but of cash.

WIDER INSIGHT

67 Ebola: Managing to Save Lives

A year after the initial outbreak of Ebola in West Africa, two experts on the disease discuss the importance of preparedness, rapid response, coordination and community engagement in the management of a crisis of global proportions.

LAST INSIGHT

72 Quality as Standard

Jaume Ribera believes it's worth recalling W. Edwards Deming's ideas on total quality management for corporate reinvention in a new economic age.
